LIMITLESS TECHNOLOGY

OUR MISSION IS VERY STRAIGHT FORWARD.

Managing complex indirect spend and vendor documentation requires technology, tools, process, expertise, time, commitment, and resources. It's not easy. It takes a team of people who know where to look and what to look for...

Limitless Technology has spent years mastering the management of complex variable expenses. Through our Billing Optimization and Vendor Management Solutions we manage critical documentation and compliance, mitigate risks, & improve our client's bottom-line.

Limitless Technology manages your vendors, so you can manage and grow your business.

VENDOR MANAGEMENT SOLUTIONS ~ COST REDUCTION SPECIALISTS

VMS - Documentation Management

Vendor Management Solutions – Document Management (VMS-DM) allows an independent 3rd party to help you mitigate risks related to the management of complex and critical vendor documentation. By utilizing this service, you gain increased visibility to your critical documents, contracts, certifications and licenses, resulting in operational excellence, and lower overall risk to your business.

- » Vendor-Supplier Database
- » Rates and Renewals
- » Compliance
- » Unlimited Storage of All Documents
- » Database Management
- » Contract Term Notification
- » T&C Separations and Notifications
- » Inspection, Certification, and License Notifications
- » Seat License

Why do you need a VMS Document Solution?

- » Increase efficiency
- » Reduce impact of employee turnover or reassignment
- » Centralized web-based storage of all critical documents
- » Notifications and escalations for renewals/ critical dates for all documents

Billing Optimization & Billing Optimization Plus

Combine the power of an audit with the renegotiation of your contracts to provide superior rates, contract terms and conditions.

- » **BILL AUDITING** – Limitless Technology's cost reduction specialists will database key critical cost elements and review your past billings to uncover all unnecessary charges/services & correct over-charged errors. We pursue all moneys due to you as a refund or credit, for what could be YEARS of unfair charges, laying the foundation for future cost savings.
- » **CONTRACT PROCUREMENT AND OPTIMIZATION** – Through our benchmark analytics process we ensure your rates, terms and conditions are in line with current or future market conditions, and inform you of competitive offerings. We negotiate rates, terms and conditions on behalf of our clients providing them with Best in Class competitive agreements.

BILLING OPTIMIZATION PLUS

Introducing Billing Optimization PLUS. Combine the power of our VMS-DM platform along with our proven Billing Optimization savings and see even more value!

- » VMS-DM Services
- » Billing Optimization
- » Contract Assessments
- » Benchmarking Analysis
- » Negotiation Support
- » Contract Management & Administration

Fully managing complex indirect spend and vendor documentation requires technology, tools, process, expertise, time, commitment, and resources. It's not easy. Plus, it takes a team of people who know where to look and what to look for with your vendors. That is exactly what you will get, when you work with Limitless Technology.

Our VMS Platinum Service includes **Billing Optimization Plus**, and the following key value sets:

Why do you need a fully managed VMS Solution?

- » Monthly Invoice reviews
- » Ongoing rate, T & C's optimization
- » Benchmark Analytics process
- » 3rd Party Expertise
- » No Share of Savings - 100% of Savings is Yours!
- » Fee Guarantee
- » Pricing Customized to Clients needs.
